

# Classroom Commandments

Moses delivered God's rules to the Israelites. We all grow up with plenty of rules. Can you think of some rules you live by in your classroom? At home? With your friends? Write them on the tablets below!

The image shows two large, hand-drawn outlines of stone tablets, each with ten horizontal lines for writing. The tablets are positioned side-by-side, with the left one slightly higher than the right one. Each tablet has a rough, irregular border, suggesting they are made of stone. The lines are evenly spaced and extend across the width of each tablet, leaving a small margin at the top and bottom. The drawing is simple and black-and-white, suitable for a classroom activity.
